

Your local newspaper and libraries are committed to serving the information needs of the Pacifica community. In recognition of this shared mission, the Pacifica Tribune is generously contributing 50% of the proceeds from new subscriptions to the Pacifica Library Foundation. For each new annual home delivery subscription entered as part of this promotion, the Tribune will donate \$15. to the Pacifica Foundation.

Here is your chance to stay informed and help the entire community do the same. Simply complete the subscription form on the back and Library staff will forward it to the Tribune or contact the paper by either phone at 650.738.9999 or email at pactrib@hax.com and tell the customer service representative that you want to be part of the Pacifica Information Partnership.

And if you don't already have one,
don't forget to apply for a library account .
